Dear Gary

I am sorry this letter has taken so long to come, there is no excuse. I would like to start by saying I enjoyed working with you and thank you for your help in making the Anderson fountain a reality. Your work with the Anderson family was appreciated.

If you ever need a reference in this area I would be more than happy to talk to anyone. The fountain has become a real draw here at Michigan State and has been wonderful for the Gardens, the only disappointment is that we have to cover it for the winter because of the cold.

Once again thank you for your help and if there is anything I can do for you do not hesitate to contact me.
