Re: **Letter Of Recommendation**
Waterfountains, Inc.
Gary and Esperanza Jackson
[redacted]

I am writing to recommend the services of Waterfountains, Inc. We worked with Gary and Esperanza Jackson on the purchase and installation of a 96" sphere fountain and turntable.

Mr. and Mrs. Jackson were at all times professional. They were always easy to contact and willing to provide help in any way possible. They were on time and on budget.

Thank you,

[redacted]

David Smith
President
