

Letter of Recommendation for Waterfountains.com, Inc.

To Whom It May Concern:

I can recommend Gary Jackson and WATERFOUNTAINS.COM to anyone considering installing a Floating Granite Fountain.

In our institution's dealings with Mr. Jackson and his company, I found him to be knowledgeable, courteous and very responsive to our needs. He was available to answer technical and design questions and offered good advice in all areas.

Mr. Jackson came on site at installation and was very helpful in the actual steps to make for a successful project. Overall, we could not have asked for a better experience than we had with WATERFOUNTAINS.COM.
